

Pastor Jacobs

Pastor Jacob is a local Pastor in Lodwar, Kenya, Africa. He has been crippled since a child. Although he is handicapped, and must walk with crutches, he has committed his life to serve the Lord Jesus Christ.

Pastor Jacob's congregation is eight miles from his home and he walks through sand, dragging his feet as he goes. Because he has to drag his feet through the sand, this wears the toes and tops of his shoes out, which causes the tops of his feet to be rubbed raw.

Please pray for complete and permanent healing for Pastor Jacob. His dedication for serving the Lord should be an example for all of us to follow.
